March 2023

Dear Valued Customer,

The European Chemical Agency (ECHA) has identified a Candidate List of Substances of Very High Concern (SVHC) for Authorization in Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorization and the Restriction of Chemicals (REACH). This is available on ECHA's website as SVHC. ECHA urges companies to check their potential obligations resulting from the Candidate List.

Sorbothane, Inc. has evaluated standard Sorbothane® material for SVHC. The 233 SVHC substances listed in Annex XIV (updated January 17, 2023) or the 71 substances listed in Annex XVII (updated July 04, 2022) are not intentionally added or used in the formulation or processing of Sorbothane by Sorbothane, Inc. of Kent, OH.<sup>i</sup>

David Church  
President  
Sorbothane, Inc.

*<sup>i</sup> The information provided in this SVHC declaration form(s) is based solely on the Material Safety Data Sheet (MSDS) information provided by our raw material suppliers. Sorbothane, Inc. makes no representation that it has verified the accuracy of the MSDS information upon which this declaration is based. Sorbothane, Inc. accepts no responsibility for incomplete or inaccurate MSDS information, or for incomplete or inaccurate information contained in this declaration. Sorbothane, Inc. accepts no duty to notify users about changes to the provided information. Sorbothane, Inc. is not liable for any damages, direct or indirect, consequential or otherwise, that the Reader or any third party incur as a result of any incompleteness or inaccuracy of the information contained in this declaration form, or as a result of ignoring this warning.*
